February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

MRS. SUSHMA S. CHORDIYA
Vice President | Secretary

MESSAGE FROM THE VICE PRESIDENT

The world is evolving at a rapid pace and we are witnessing unprecedented changes all around us.

Keeping in sync with the evolving socio-economic milieu, on the horizon industry trends and dynamic demands from a global and digital society, Suryadatta Group of Institutes has embarked on a path that reinvents itself into a 21st century academic conglomerate that touches several aspects of lives of the student community and contributes to their overall wellbeing.

As a group we are integrating ourselves more closely with the wider academic, entrepreneurial, industry, policy making and social ecosystem. We have taken several steps in this direction.

Some of the key aspects include building a wider web of renowned and acclaimed academic partners in the form of HBS online, IIMBx, AIMA, Lincoln University Malaysia, TCSiON, Cambridge Business English, SAP etc., taking learning beyond the classroom and making it more socially relevant in terms of more touch points on the field with local and global immersion programmes and a wider adoption of digital learning in line with the expectations of the student community and the probable work place of the future.

All constituent institutes of Suryadatta Group have on their radar various key interventions that contribute towards the development of a startup, innovation and incubation culture. Our academic partners such Multi varsity are acting as the icing on the cake for our efforts. This ensures that we not only create job seekers, but we nurture job creators as well.

We firmly believe that skilled and well educated human talent is merely one of the many facets of consistent and sustainable national development. This must be supplemented with human and moral values as well as a healthy mind, body and soul. Right since our inception, we have never lost sight of our commitment to the society. Our students are imbibed with the right personal and social values and are sensitised towards various facets of social and public life. As a group we have gone beyond our formal responsibility of curriculum delivery to inculcating best practices that lead to healthy and empathetic human beings. Excellence, to us, is not a destination but a continuous journey. We shall not be content with the accreditations and ratings received and the awards bestowed upon us, but shall continue our march towards a socially responsible and digital society with a global outlook.

The entire team of top leadership, Senior faculty administrators, faculty members as well as the administrative staff and the placements cell are geared with full energy vigor and competencies to deliver the best learning experience in an online as well as blended format.

Keeping in mind the desired learning outcomes and graduate attributes, the entire ecosystem at Suryadatta is aligned with the demands of the new age digital learner and the next generation workforce requirements. The students shall immensely benefit from the synchronous and asynchronous learning initiatives structured for them with an aim to make them ready for the 7 life pathways that the Suryadatta Group believes in letter and spirit. I draw your attention to these initiatives listed on page.
