Suryadatta Institute of Fashion Technology (SIFT)

Report on Student Council and Class Representative Elections

Venue: Surydatta Institute of Fashion Technology (SIFT)

Date of Elections: 23rd September 2025

Date of Results Announcement: 25th September 2025

The Surydatta Institute of Fashion Technology (SIFT) conducted its Student Council Elections and Class Representative (CR) Elections on 23rd September 2025, marking an important occasion for student leadership and participation. The elections aimed to select the Student Council President, council members from each academic year, and Class Representatives for the B.Sc. Fashion Technology 1st, 2nd, and 3rd-year classes.

For the Student Council President, two enthusiastic candidates stood for election: Shrushti Jarad and Anjali Jiwane. Before the voting process, both candidates were given the opportunity to address the students in a formal speech session. They shared their visions, leadership plans, and the contributions they hoped to make if elected. This session allowed all students to evaluate the candidates' suitability for the leadership role.

The voting process was conducted in a transparent and fair manner. Students from all three academic years (B.Sc. 1st Year, 2nd Year, and 3rd Year) participated by writing their votes on ballot papers, which were then securely placed in a designated voting book. This ensured that each student's vote was confidential and counted properly.

After the votes were carefully counted and verified, the results were officially announced on 25th September 2025.

President-Elect: Shrushti Jarad, who secured victory by a margin of 4 votes over her opponent.

In addition to the president, the following Student Council Members were elected to represent their respective years:

- Aurva Mane (1st Year)
- Lavanya Modak (2nd Year)
- Khushi Agarwal (3rd Year)

For the Class Representative (CR) positions, the elected students were:

- Sneha Bhansali (1st Year CR)
- Anjali Solat (2nd Year CR)
- Sonal Khetan (3rd Year CR)

These individuals were selected through a similar voting process by their classmates and peers.

The entire election event was a great demonstration of student engagement, democratic values, and institutional commitment to nurturing future leaders. The organizing committee ensured that all activities, from nomination to voting to counting, were conducted with integrity and transparency.

We extend heartfelt congratulations to all the winners and express our appreciation to all the candidates for their participation and enthusiasm. We look forward to seeing the newly elected council and class representatives work together to promote student welfare, address concerns, and organize activities that will benefit the SIFT community throughout the academic year.
